OUTREACH

We believe the church exists to make an impact beyond its four walls. There are opportunities to make a difference by serving through local campus outreach and the Memphis Dream Center.

The Memphis Dream Center is the nonprofit organization established by The Life Church to close the opportunity gap for underserved children and families by addressing educational inequity, food insecurity and family stability. MDC offers four main programs in support of this mission: FeedMemphis, Read2Lead, the Family Advocacy Center and the Family Enrichment Center.

Holiday Outreach | Dec 10

We are hosting our annual Christmas Store to bless families in our community. You can sponsor a child, serve or donate.

Check out all of our outreach opportunities!
